BONK 3™

BONK'S BIG ADVENTURE

Bonk 3 Story

Bonk in DinosaurLand!

Bonk's got something new up his sleeve and he's going crazy in the Kingdom of the Dinosaurs! He can grow into a huge hulk or shrink into a miniature headbasher. So go ahead and smash some heads with that invincible granite-brain caveboy of adventure, Bonk!

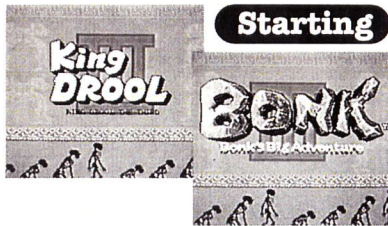

How To Play Bonk 3

* Both players share the Hearts in the two player mode. Cooperate.....or pay the price.

Hearts show physical power. After scoring 100,000 and 300,000 points you will get one more heart. From then on you will get an additional heart every 400,000 points.

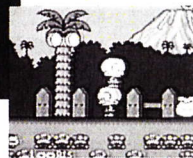

The Two Player Mode

MODE SELECT

QUIT

Use the SELECT Button to warp next to the other Bonk. The Bonk that uses the Warp will change to the size of other Bonk and, if he is more powerful, he will return to normal power. One more thing: the Warp move uses up some of the Bonks' heart power.

In the two player mode the Bonks are different colors but they can use exactly the same moves. One Bonk can even jump on top of the other Bonk's head!

Special Moves

Flip Bonk

Check out this move! Press Button II when Bonk is in the air and watch him flip out. You can also get more flying distance by pressing Button II again and again when he jumps. A good aim is the winning ticket!

Dogpaddle

Bonk isn't a World class swimmer but he's a great dogpaddler. Use the Direction Key to paddle around and Button I for an extra boost.

The Muncher-Cruncher Climb

Cliffs and pits? No sweat! Just use Button I to clamp onto the wall and keep pressing! Isn't Bonk tough....they didn't even have dentists in those days.

Head Banging

With this trick you can climb narrow walls in a snap. Use Button II and start bouncing off the walls! If you want to get anywhere in this game you'll have to master this move.

The Waterfall Splash

Make a big splash...up a waterfall! Press up on the Direction Key and jump. Keep pressing Button I and jump in and out of the water.

The Spin Climb

To climb overhanging branches press up on the Direction Key and jump. Bonk will bite into the branch above him and go for a big spin.

The Tree Climb

How about going for a tree climb? Grab onto a tree and shinny up, down or all the way around.

Jet Roller Pipe

Go for a real mind-bender of a roller coaster ride! All you have to do is stand over the pipe, and swoooosh.....you're away!!

Power-Ups and Other Items

Extra Bonk

Another Bonk to help you on your way.

Power-Up Items

Munch on these candies and watch Bonk change size.

Orange Springy Flower

Pounce on one of these and a slab of ham pops up.

Green Springy Flower

Pink Springy Flower

Bonk Bouncy Trap

Don't be fooled by the fake Bouncy Trap! It's vicious!

Special Power-Ups

Crab Bonk

If Bonk gets crushed he becomes a crab. He can zip through the water and jump (Button I).

Bonk gains power when he eats the Hams. There are two Ham power levels.

Kiss Bonk

Turn the enemy to stone with a kiss from Bonk. To blow a kiss press Button II. Or you can just Bonk the ground and experience the joy of seeing your enemy turn to stone.

Fire Breathing Bonk

Bonk blasts out wicked fire from his mouth when you press Button II! And bonking the ground damages all enemies on the screen!

Advice

There may be some places that Bonk can't go because of his size. When that happens you can eat a candy or think about becoming a Crab Bonk.

Don't sweat it when you take candies by mistake or when you can't go places because of your size (too big or too small)! When this happens, move about the screen a bit and then go back to where the candies were. They're back!
