The Two Player Mode

In the two player mode the Bonks are different colors but they can use exactly the same moves. One Bonk can even jump on top of the other Bonk's head!
Special Moves

Flip Bonk
Check out this move! Press Button II when Bonk is in the air and watch him flip out. You can also get more flying distance by pressing Button II again and again when he jumps. A good aim is the winning ticket!

Dogpaddle
Bonk isn’t a World class swimmer but he’s a great dogpaddler. Use the Direction Key to paddle around and Button I for an extra boost.

The Spin Climb
To climb overhanging branches press up on the Direction Key and jump. Bonk will bite into the branch above him and go for a big spin.

The Muncher-Cruncher Climb
Cliffs and pits? No sweat! Just use Button I to clamp onto the wall and keep pressing! Isn’t Bonk tough.....they didn’t even have dentists in those days.

The Tree Climb
How about going for a tree climb? Grab onto a tree and skinny up, down or all the way around.

The Waterfall Splash
Make a big splash...up a waterfall! Press up on the Direction Key and jump. Keep pressing Button I and jump in and out of the water.

Head Banging
With this trick you can climb narrow walls in a snap. Use Button II and start bouncing off the walls! If you want to get anywhere in this game you’ll have to master this move.

Jet Roller Pipe
Go for a real mind-bender of a roller coaster ride! All you have to do is stand over the pipe, and swoooosh.....you’re away!!

Power-Ups and Other Items

Extra Bonk
Another Bonk to help you on your way.

Small Ham
A one level power boost.

Big Heart

Springy Flowers

Yellow Springy Flower
Boing, boing.....BOING!! Jump onto one of these and catch some major air time.

Orange Springy Flower
Pounce on one of these and a slab of ham pops up.

Blue Springy Flower
Score big time with an Extra Bonk or a Big Heart!

Green Springy Flower

Special Power-Ups

Crab Bonk
If Bonk gets crushed he becomes a crab. He can zip through the water and jump (Button I).

Bonk gains power when he eats the Hams. There are two Ham power levels.

Kiss Bonk
Turn the enemy to stone with a kiss from Bonk. To blow a kiss press Button II. Or you can just Bonk the ground and experience the joy of seeing your enemy turn to stone.

Fire Breathing Bonk
Bonk blasts out wicked fire from his mouth when you press Button III! And bonking the ground damages all enemies on the screen!

Advice
There may be some places that Bonk can’t go because of his size. When that happens you can eat a candy or think about becoming a Crab Bonk.

Don’t sweat it when you take candies by mistake or when you can’t go places because of your size (too big or too small)! When this happens move about the screen a bit and then go back to where the candies were. They’re back!
