WARNINGS

- 1 This is a precision device and should not be used or stored under conditions of excessive temperature or humidity.
- 2 Do not use this CD game with ordinary CD players. The computer data may damage your audio equipment. In addition, prolonged use of this disc with headphones in a "regular" CD player could cause hearing impairment.
- 3 Never open the CD player's cover while the CD is spinning. This may damage both the disc and the system.
- 4 Never pull the System Card out while the TurboGrafx-16 switch is in the "on" position, as this may damage both the SuperSystem and the CD Interface Unit.
- 5 Do not wipe your Entertainment SuperSystem, TurboGrafx-CD player or TurboGrafx-CD with volatile liquids such as paint thinner or benzene.
- 6 Read this instruction book carefully and keep it in a safe place for future reference.

TurboGrafx-Super CDs are made especially for use with the TurboGrafx-CD 16 Entertainment System with the SuperSystem Card, and the TurboDuo™. They will not operate on other systems.

Any duplication of this software is strictly prohibited.

Care of Your Super CD Game and Getting Started

Care of Your Super CD Game

- 1 Keep your super CD game clean
- 2 Make sure the shiny "signal reading" side of your super CD is clean at all times.
- 3 If your super CD does become dirty, wipe it clean with a soft cloth.
- 4 Make sure that the surface of your super CD does not get scratched.
- 5 Take the super CD carefully in and out of its case.
- 6 Never write on your super CD. Writing on it may damage its surface or interfere with its operation.
- 7 Never bend your super CD.
- 8 Do not try to make the hole in your super CD larger!
- 9 Place your super CD back in its case when you have finished playing.
- 10 Avoid high temperature and humidity.

Getting Started

◁When you use TurboGrafx™-CD Player with Super System card▷

- 1 Make sure your TurboGrafx-CD Player, Game interface, television and audio system are properly connected (refer to your TurboGrafx-CD Player's instruction manual).
- 2 Plug your TurboGrafx-CD Power Adaptor into a wall outlet and slide the Game interface power switch (the lower switch) to the right ("ON" position). Turn on your television and make sure that it is on the correct channel.
- 3 Carefully insert the TurboGrafx "Super CD System card into the TurboGrafx-16 game-card port and slide the upper power switch to the right ("ON" position).
- 4 Open the TurboGrafx-CD player cover by lifting the handles. Avoid touching the inside of the unit. Never operate your CD player with the cover open.
- 5 With the game-title side of your CD game facing upwards, set your disc into position. Make sure that the hole is centered on the spindle and close the cover. The initial TurboGrafx-CD screen should appear.

STORY

When the world was first formed, Holy God, Pharina and legendary hero, Dyu, imprisoned The Dark One, Zaggart, in the center of the Six Lands of Mistral. From then on, peace reigned throughout the Lands of Mistral.

One fateful day, the six bosses foolishly allowed the evil beings of the Shadow Realm to enter from the edge of the world.

One by one, the Lands of Mistral fell to these evil beings whose purpose was to restore the Dark One, Zaggart, as ruler of the Dark World. You are Landis, the only warrior descendant of Dyu, and you have risen to fight against the evil forces.

Wearing magic armor inherited from Dyu, Landis is about to single-handedly battle hordes of evil enemies in order to stop Zaggart.

Object of the Game

You play the part of Landis. As you seek out Zaggart, you will be met by various enemies. Destroy them by using your weapons, and pick up items that may appear. Once you have destroyed the boss for a given stage, you have finished the level. After clearing six stages, the Holy God, Pharina, will join you to help destroy the evil Zaggart.

Before you Begin the Game

Score

Increases as you destroy enemies.

Money

Increases as you destroy enemies and collect crystals.

Bombs

These are displayed after you buy them at the store. You may carry up to three at a time.

Powers

Increases when you get a power-up orb at the shop, or in the battle field. The higher the meter is powered-up, the more powerful your attack will be. It decreases when you get hit by enemies.

Life Meter

Increases when you get an extra life orb and decreases when you get hit by enemies. When all lives are lost, the game is over.

Game Play Area

Getting Started

1. When you are ready to play, press [Run]. The introduction begins.

2. When the title screen appears, select "START" and press a button.

A map of Mistral appears.

Note : To bypass the introductory segment, simply press a button when the first screen appears.

Selecting the Stage and Armor

Mistral is surrounded by six lands. Each land is the stage for one battle. First, select the stage for a battle. Then view the four types of armor left by the legendary hero. The method of shooting and bombing differs for each type. Also, your offensive capabilities change depending on how much power you have. Select the armor best suited for each stage.

1. Select the stage you want to play by using the [Direction Key] and press a button.

The armor selection screen appears.

2. Select the armor you want to put on by using the [Direction Key] and press a button.

You enter the item shop.

Buying Items

You may buy many types of items as long as you have enough money.

1. Select the item you want by using the [Direction Key] and then press a button.

2. After you have finished buying, select "EXIT" and then press a button.

The play screen returns, and the battle begins.

Game Over and Continue

Game Over

Continue

Game Over :

When you have lost all your lives, the game is over.

Continuing Gameplay :

If you have picked up a time slip, ten lighted candles will appear after the game is over. You may continue the game by selecting "CONTINUE" any time before all ten of the candles have burned out.

1. Select "CONTINUE" and press a button to continue gameplay. If you have not met the boss of a group of enemies, the game begins from the beginning of the stage where you were playing. If you have met the boss, the game begins from the battle with the boss.

Note : You start the game with 3 continues.

If all the candles burn out, game data such as score and number of crystals will be erased from memory, and gameplay cannot be continued.

Select "STAGE SELECT" if you want to change stages, or "GAME OVER" if you wish to quit.
